The Madison County TRIAD is a partnership which involves Senior Citizens, Law Enforcement (Madison County Sheriff's Office) and Support/Protective Services (Councils on Aging / Senior Citizen Service Providers) who agree to work together.

The primary goals of the TRIAD are to reduce the criminal victimization of older citizens and enhance the delivery of services to this population. TRIAD provides the opportunity for an exchange of information between law enforcement, support services and senior citizens. It focuses on reducing unwarranted fear of crime and improving the quality of life for seniors.

The Madison County TRIAD is tailored to meet the needs of the community and is an integral part of community policing

MISSION STATEMENT

"The Madison County TRIAD's mission is to enhance the quality of life and safety for senior citizens through information and resources provided by law enforcement and service providers."
